Ladies and/or Gentlemen:

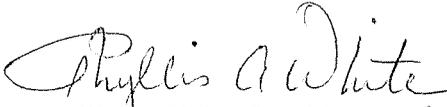

Please be advised that the enclosed billing from Louisville Gas & Electric was received by U.S. Mail November 14th 2007.

As can be seen, this bill with the read date of 11/9/07 arrived in five (5) days with no apparent reason why delayed.

The enclosed copy shows that not all mail from LG&E arrives timely in a couple of days. Ten day terms would be impossible to meet, without late fees, when managing approximately 660 rental units in the Louisville area, all with multiple cut-off dates, along with move-in and move-out date reconciliation of billings. Current due dates are barely satisfactory NOW!

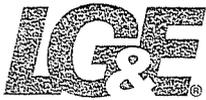

Please consider this when allowing the change to a due date that is not attainable due to daily electric bills in the mail to be analyzed. This company cannot be held to late fees generated both due to LG&E adjustments, estimates, etc., nor the U.S. Mail delivery inconsistencies.

Sincerely,

  
Phyllis A White, Bookkeeper
